### SCHOLARSHIP FUNDING (check one):

**Named Endowed Scholarship**

"Endow" means that the Future Foundation will invest the gift so that investment returns will provide funding to accomplish the stated purpose. Additional gifts may be added at any time. Endowed scholarships are established with a minimum donation of \$25,000 or a series of donations over a specified period of time. Distributions are calculated by applying a spending rate (set annually by the Foundation) to an average balance of the fund.

**Named Annual Scholarship**

Annual Scholarships are those where the gift or a portion of this and any future gifts will be expended for the purpose stated until such time as the account has a \$0 fund balance. Additional gifts can be added to the account at any time to extend the life of the scholarship, gift, or award, or increase the number of available scholarships. Available award amounts are based on the entire balance of the fund at the time of awards.

**Contribution to Existing Scholarship**

The WSCC Future Foundation has numerous existing scholarship funds. If you are interested in contributing to a scholarship fund that already exists, you may make a secure donation online at [www.wscCFutureFoundation.org](http://www.wscCFutureFoundation.org). Gifts of all sizes are always welcome. \*It is not necessary to complete the remainder of this form if you wish to contribute to an existing scholarship fund.
